

Committee to Check Mail Change

Plans for an immediate survey of residents in the Hollywood Riviera section of Torrance on the proposal to seek a change in their mailing address from Redondo Beach to Torrance were being studied this week by a Chamber of Commerce committee and representatives of the letter carriers of Torrance and Redondo Beach.

Meeting with Paul D. Langer, past president of the Torrance Chamber of Com-

merce and chairman of the chamber's postal committee, were Harry L. Oskel, president of Branch 1951 (Redondo Beach) of Letter Carriers of America, and Earle Sumpfer, president of the Sunshine Branch 2202 (Torrance).

The survey will be made to determine if residents of the Riviera section of Torrance wish to retain a Redondo Beach mailing address. "One thing is certain," Langer said this week. "Statements that carriers now in the Riviera sections would agree there would be no loss of employees, routes, service, or loss of seniority rights for the carriers.
